Référence produit: 4173635

Numéro d'identification: 01018

Code EAN: 4006825549058

The Einhell suction hose is a 25 millimetre (1 inch) dimensionally stable suction hose with a length of 4 meters. Thanks to a 42 mm (1 ¼ inch) connection with a female thread, an inclusive adapter fitting with a 33.3 mm (1 inch) female thread and a plastic threaded nipple with a 33.3 mm (1 inch) male thread, the Einhell suction hose is suitable for garden pumps and domestic waterworks or automatic domestic water systems. The hose is made of hard plastic and is ideally suitable for use with service water. The suction hose set comprises one adapter fitting with a 33.3 mm (1 inch) female thread and one plastic threaded nipple with a 33.3 mm (1 inch) male thread. In addition, the set also includes a plastic intake cage with non-return valve.
